MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Nondisclosure Agreement for Sensitive Compartmented Information

- 1. In accordance with your memorandum to the National Foreign Intelligence Council of 30 August 1983 of the same subject, I request that the National Security Agency (NSA) be permitted to continue using the NSA nondisclosure agreement (NDA) (Tab A) in lieu of the Director of Central Intelligence (DCI) promulgated NDA for personnel with access to sensitive compartmented information (SCI).
- 2. In February 1983, before the issuance of National Security Decision Directive (NSDD) 84, NSA implemented a security agreement program and required all personnel employed by or assigned or detailed to NSA to sign an NDA. The Agency developed its current form after substantial legal and policy review and coordination in and outside of the Agency. As discussed in detail in an April 1983 letter to Mr. Kenneth DeGraffenreid of the National Security Council, a copy of which is enclosed (Tab B), I believe an NSA-specific NDA to be critically necessary in order to address unique NSA concerns. The NSA NDA is tailored to satisfy these NSA concerns, and, further, implements the specific statutory authority provided NSA to protect sensitive, unclassified information.
- 3. A comparison between the NSA NDA and the DCI promulgated NDA for personnel with access to SCI establishes that the NSA NDA conforms to the DCI form in all substantive areas. In addition, the NSA form protects other categories of information which both require and are legally susceptible of protection. Though the NSA NDA is constantly reviewed and may be revised as we gain experience with its operation and effect, the form currently in use is sufficient under the law and the standards of NSDD 84. Finally, repetition of the process of executing NDA forms for all personnel would impose a substantial administrative burden and could cause confusion as to the nature and extent of the prepublication review requirement. Accordingly, I request that you authorize NSA to continue to use the NDA form at Tab A.
- 4. If there is anything we can do to assist you in your consideration of this waiver request, please do not hesitate to call (301) 688-6705.
